

HOW TO LINK

AEON WALLET ACCOUNT INTO BAKONG APP

With the latest version of the Bakong App, you can now easily link your AEON Wallet account to your Bakong App. Once linked, you will be able to:

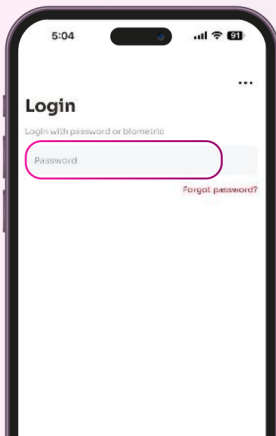

- Transfer money from your AEON Wallet to your Bakong Wallet
- View your AEON Wallet Balance directly in Bakong App
- Track transaction history between your AEON Wallet and Bakong Wallet
- Unlink your AEON Wallet account whenever needed.

Follow these simple steps to link AEON Wallet account in Bakong App:

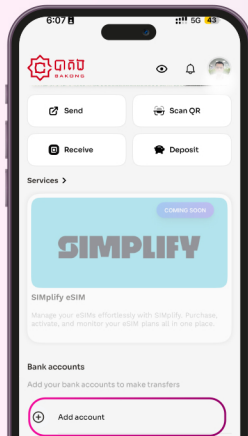

1 Log in

Log in to your Bakong App.

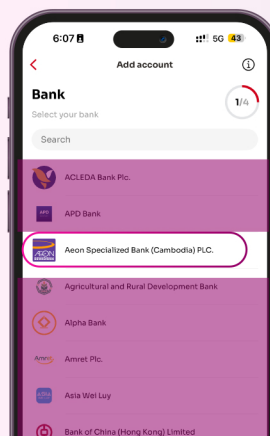

2 Add account

Tap "Add account" on the homepage.

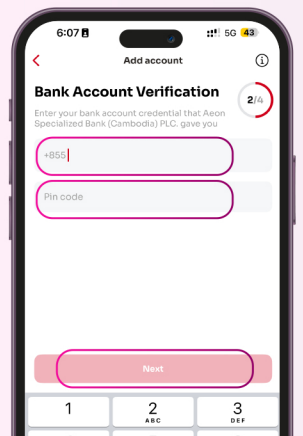

3 Select bank

Find and select "AEON Specialized Bank (Cambodia) PLC."

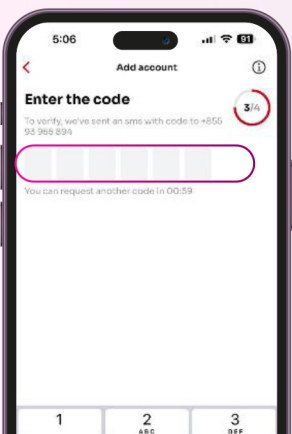

4 Enter phone number

Enter your phone number registered with AEON Wallet.

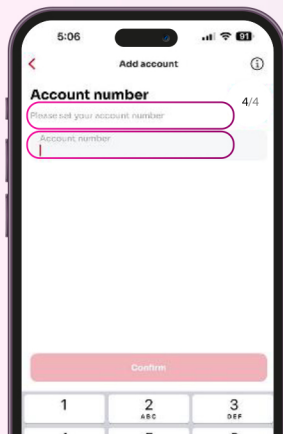

5 Enter OTP

Input the OTP sent to your phone number.

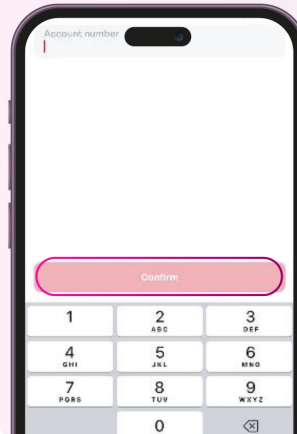

6 Enter account number

Enter your AEON Wallet account number.

7 Review information

Check your information is correct and tap "Confirm".

8 Linked successfully

Your AEON Wallet account is now linked to your Bakong App.

AEON Wallet Account is Successfully Linked!

Now you can view your AEON Wallet account detail on Bakong App.
